

# Arrivals Guide

## International Arrival Procedures

### Arriving Passengers

All arriving passengers are required to complete the Passenger Arrival Document no. 6 issued by the Immigration Bureau for contacting passengers during their stay in Thailand. The Passenger Arrival Document is distributed by the airline staff of the arriving flights and need to be completed before landing in Thailand.

### Visas and Travel Documents for Arriving Passengers

Passengers with no visa (Please see the list of countries below) can apply for a visa at the arrival counter. You are required to bring two one-inch photographs and a 300 Baht fee for application. If you do not have photographs with you, a photo express service is available at the airport for 120 Baht (for 4 photographs). (Information from : Immigration Bureau )

- **Re-entry Permit**

Passengers whose visa status has to be permitted for re-entry must contact the officers at the contact point before leaving Thailand.

- **Customs Clearance**

Arriving passengers must complete the declaration form and declare all items to the customs officers. Passengers who do not have any item for customs declaration must proceed to the green lane with the “Nothing to Declare” sign. Passengers who have items for customs declaration must proceed to the red lane with the “Articles to Declare” sign, along with their declaration form. Any undeclared prohibited item found will be confiscated and passengers will be fined 4 times the value of the item.
